

URBAN ORIENTEERING EVENT

SANDWEILER

WEDNESDAY 24 MAY 2017

| | |
|---|--|
| Meet at | 55 am Steffesgaart, L-5222 Sandweiler Please park in designated parking bays in nearby streets, not on the pavement – you may need to walk a short way. |
| Start times | 18.45 until 20.00 or so. |
| Entries | No fee – but please let info@orienteering.lu know if you plan to come and how many people you will be, so maps can be printed. |
| All welcome – members or not – please bring friends who haven't orienteered before | |
| Start point | Start and finish are both at the meeting point. |
| Format | Three courses Dormouse 1.2km – very easy and safe, for children Rabbit 2.8km – medium, for adults Deer 4.3km – longer, for adults Control flags are 15cm kites – “punch” using crocodile pin punches. |
| Map | 1:7,500, glorious technicolor, ISSOM. Freshly downloaded from Open Orienteering Maps, zero extra surveying, any errors on the map – sorry! Laser printed on 90gsm paper – please bring your own protection, especially if it's raining, although some spare map-cases will be available for newcomers. |
| Terrain | Residential urban streets, training shoes optimal. Perhaps a small amount of forest on the Deer course. |
| Safety | Please take great care to avoid all moving cars, bikes and buses, especially on the more main roads. Children under 12 should be with an adult. You take part entirely at your own risk. |
