

Interland 2018

March 9 - 11

Herperduin

Dear orienteering friends,

Thank you for your interest in Interland 2018 in the Netherlands.

Besides being the annual meeting between selections of five national/regional federations the Interland is a public multi stage event open to all.

For the Interland 2018 and its related races we have selected 4 brand new areas never used for orienteering before. For the main event on Sunday we have selected the beautiful area called 'Herperduin'.

We love to see you at the biggest orienteering event in the Netherlands in 2018.

The organizers

Terrain:

Interland/LD + MD: 'Herperduin'

Herperduin is a mixed forest with some moors, lakes, sand dunes, small contours and steep ridges up to 20 meter. Runability is variable but mostly good. The pictures in this bulletin give an impression of the terrain. The terrain is the home ground of cattle as depicted in this bulletin. The MD race will give a representative impression for the Interland/LD on Sunday.

Urban sprint: 'Ravenstein'

Ravenstein is an old little fortified city near a river bank. It is mainly paved area with some park area's and only few steep parts.

Forest/park sprint: Herperduin/bungalow park

This area is partly forest, partly the bungalow park which is the main accommodation of the Interland. Good runability.

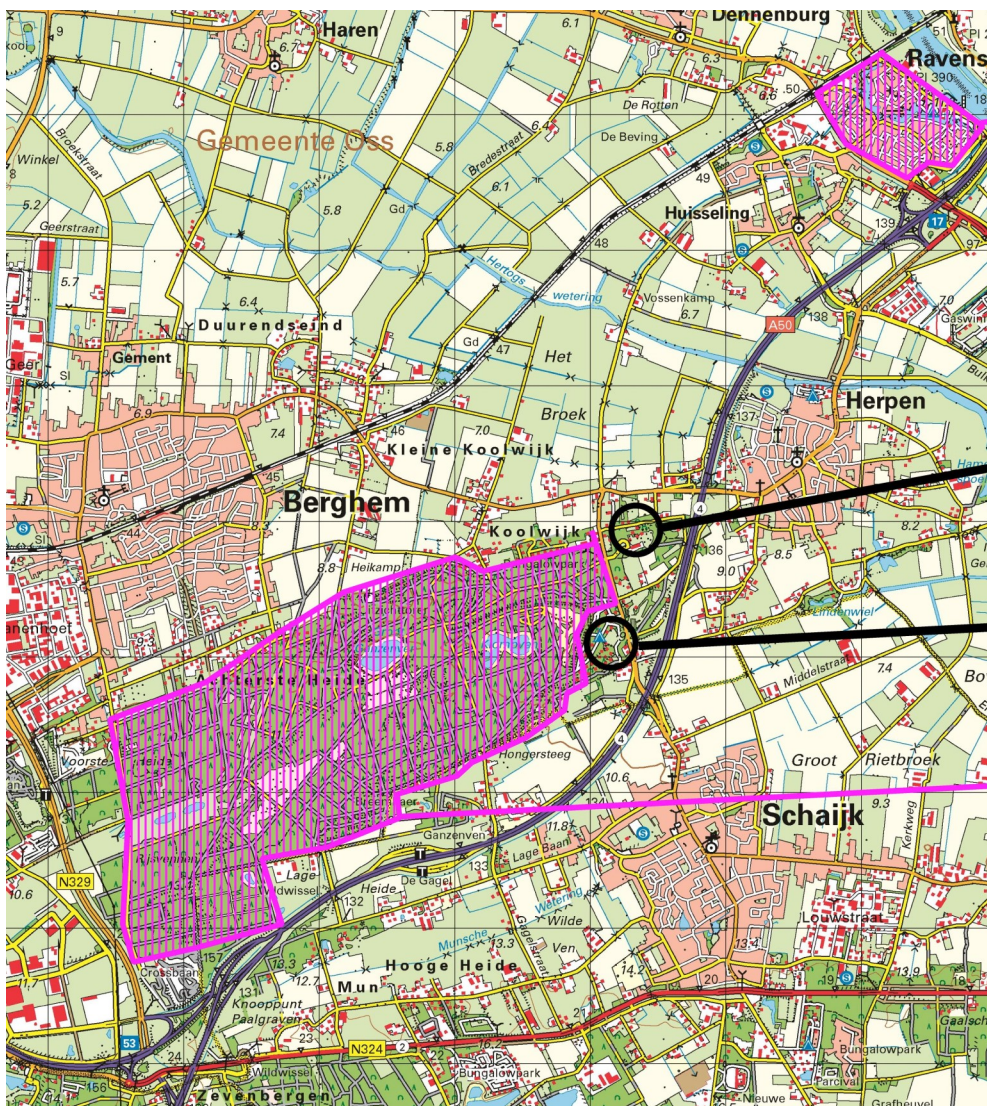

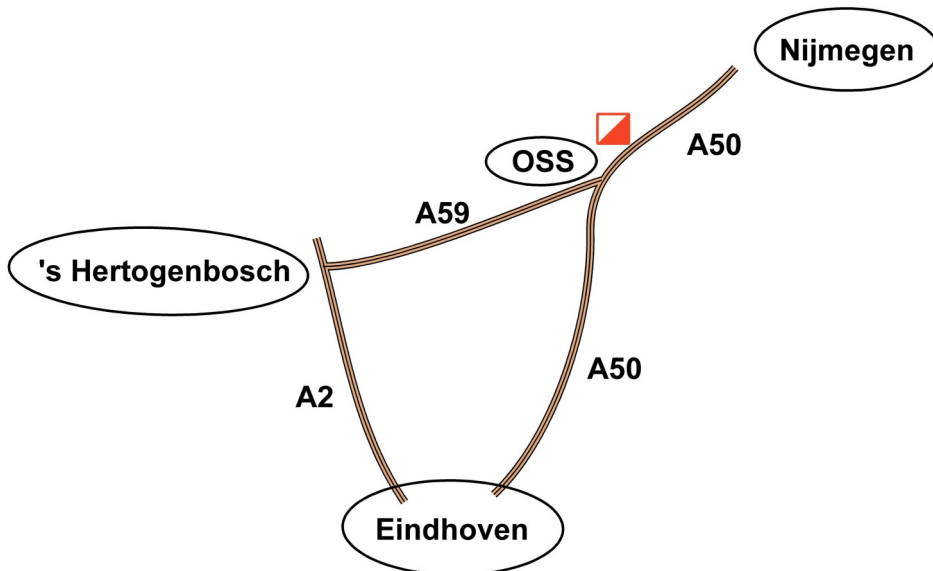

Out of bound areas:

Until the day of the competitions the areas indicated in purple on the next page are out of bound.

Venues:

Interland will be close to the city of Oss. It is easy accessible by the motor highways A50 and A59. For details see map below.
